Frequently Asked Questions

When is camp?
ETC Camp is typically hosted the third week of June. ETC Camp 2019 will be **Sunday, June 16th-Friday, June 21nd**

When is registration?
Registration is open and will remain open until 11:59 PM CST on February 28, 2019. Campers will be notified of their acceptance status by mid to late March via email.

What is the cost of camp?
The cost of camp is $250 dollars. Full or partial scholarships will be available depending on grants and corporate donations received.

Who can attend camp?
If you are a female in high school who is interested in learning about any type of engineering, you can apply. This camp is aimed at those who will be juniors and seniors during the 2019-20 academic school year, however, incoming sophomores are also encouraged to apply!

Do you have to be from Wisconsin to attend?
No! We have applicants from all over the US! As long as you are a female in high school who wants to explore her options with engineering, you are invited to apply.

Where is camp held?
Camp is held on the University of Wisconsin-Madison campus in one of the lakeshore dorms, Dejope residence hall. The girls will have breakfast, lunch, and dinner provided throughout the week.

How many girls get to attend camp?
This year, 80 girls will be chosen to attend ETC Camp. Campers will be selected based off of responses to the application essay questions, which will be evaluated after the application closes.

Why attend ETC?
Do you get really excited when you think about the complications of the human body? Do you find yourself drooling over your math homework, because you’re just so passionate about trigonometry? (Okay, maybe not that extreme…) Then maybe you should consider engineering! Engineering is a career that uses math and science to solve all different assortments of problems.

Coming to ETC will give you an introduction to the different engineering disciplines available on Madison’s campus, including mechanical, electrical, industrial, biomedical, civil, chemical, and nuclear. At the same time, we will take you on tours to give you an introduction to the UW Campus.
